

SECTION .0200 - PROJECT INFORMATION

01 NCAC 30E .0201 PROJECT DESCRIPTION

It shall be the responsibility of each Capital Projects Coordinator, for each Capital Improvements project as defined in G.S. 143-135.27 requiring professional services, to provide the State Construction Office with a written description of the professional services desired, the scope of work, schedule requirements, amount of authorized funds and other appropriate information. Particular emphasis will be placed on a determination as to whether the designer's or consultant's services are to include items such as programming, modeling, special presentations or other requirements beyond specific facility design. This requirement data shall be incorporated in the designer's or consultant's professional services contract and will serve as key elements against which the designer's or consultant's performance will be evaluated.
