

01 NCAC 30E .0306 REPORT COMPILATION

The Office of State Construction will be responsible for maintaining designer or consultant evaluation data. The data maintained shall be on an individual job basis and also cumulative by the designer or consultant. Data will be made available on request to individual designer or consultant preselection committees. The data maintained by the State Construction Office will reflect performance history for a period of five years. All evaluation data on completed projects in excess of five years of age will be removed from State Construction Office files and will not be used as a factor in the cumulative evaluation.
