

01 NCAC 43A .0311 INSPECTION OF PROPERTY

(a) All property is sold "as is" and "where is." Bidders may inspect property prior to submitting bids. Opportunity shall be afforded for inspection up to the time a bid is awarded, but no labor or materials shall be furnished to a bidder for such purpose.

(b) Photographs and descriptions are provided for the purpose of aiding the bidder to identify the property and shall not be used to determine quality or condition of the property. Descriptions by the custodian of the property shall not be considered by the State Surplus Property Agency nor shall they be grounds for disputing an award.
