02 NCAC 09C .0504 SANITARY FACILITIES

- (a) Hand-washing and sanitizing facilities shall be located in all processing rooms or in one area easily accessible from the processing rooms.
- (b) Readily understandable signs directing employees to wash and sanitize their hands after each absence from post of duty shall be posted in all processing rooms and elsewhere in the plant as appropriate, such as bathrooms or break areas.
- (c) Offal shall be placed in covered containers for removal at least once a day, or more frequently if necessary, or shall be removed by conveyors or chutes.

History Note: Authority G.S. 106-139;

Eff. January 1, 1985;

Readopted Eff. March 1, 2017.
