

SECTION .1100 - INSPECTION FEES

02 NCAC 34 .1101 RIGHTS OF ENFORCEMENT

- (a) The enforcement agency and the member of the Attorney General's staff assigned to the Committee shall have, during regular business hours, the right to see, examine, and inspect those records, chemicals, and such equipment as may be deemed necessary to the structural pest control operations of said person within the provisions of these Rules and Regulations and the Structural Pest Control Law.
- (b) The enforcement agency or any member of the Committee may in its discretion inspect any properties treated by structural pest control licensees or certified applicators for pests for the purpose of determining the efficiency of the remedial measures applied and to determine if treatment(s) comply with the requirements set forth in these Rules and Regulations.
- (c) When requested by the Division or Committee, the licensee or certified applicator shall furnish for analyses, sufficient samples of pesticides or other chemicals used in treating for structural pests and shall provide copies, or allow the copying, of such records as may be deemed necessary by the Division or Committee to document the use or application of pesticides or performance of work within the provisions of these Rules and the Structural Pest Control Law.
