

R25-5 RESIDENT CONTRACTOR BID FEEDBACK

In any case in which a resident contractor is unsuccessful in a bid on a contract which is awarded to a nonresident contractor, the utility shall, at the request of any unsuccessful resident contractor bidder, and only after the contract has been executed, provide general, non-confidential information concerning the overall evaluation process between the resident contractor's bid as contrasted with the successful bid.

(NCUC Docket No. M-100, Sub 154, 06/18/2019.)
