

07 NCAC 11 .0302 COMMISSION REVIEW OF APPLICATION

Upon receipt of a complete application and plan, the commission or Executive Committee shall either approve or deny the request within 20 working days after submission. During the review period, the commission shall check the site for ownership, accuracy of submission and the compatibility of the proposed plan with the overall concept of the Corridor. Action by the Executive Committee can be delayed until the next scheduled commission meeting if in the Executive Committee's discretion an application should be considered by the commission.
