

10A NCAC 13K .0605 HOME CARE

If a hospice agency wishes to provide home care services as defined in G.S 131E-136 and meets the requirements of 10A NCAC 13J and the standards for the specific home care services applied for, the hospice agency may apply for a home care license. The licensure inspection shall be conducted either at the Department offices or on-site.
