

10A NCAC 14J .1208 VISITATION AREAS

- (a) Each jail shall provide an area for visitation.
- (b) If provided, noncontact visitation areas shall:
 - (1) provide seating for the inmate and visitors;
 - (2) provide a view panel with minimum dimensions of 1' x 1' between the inmate and visitors;
 - (3) provide a telephone communication system or equivalent audio link between the inmate and visitors;
 - (4) permit visual and auditory observation by officers; and
 - (5) prevent the passage of contraband.
- (c) If provided, contact visitation areas shall:
 - (1) provide seating for the inmate and visitors; and
 - (2) permit visual and auditory observation by officers.
- (d) Confidential attorney visitation areas shall:
 - (1) permit contact between the inmate and attorney;
 - (2) be separate and distinct from the general visitation area;
 - (3) provide seating and a writing table for the inmate and attorney;
 - (4) permit only visual monitoring by the officers;
 - (5) provide a way for the attorney to contact officers if needed; and
 - (6) provide a minimum of 30 footcandles of artificial light.
