

10A NCAC 22J .0103 RECONSIDERATION REVIEW PROCESS

(a) Upon receipt of a request for a reconsideration review that is submitted timely pursuant to Rule .0102 of this Subchapter, the Deputy Director shall appoint a reviewer or panel to conduct the review. The Division shall arrange with the provider a time and date of the hearing. The provider shall reduce his arguments to writing and submit them to the Division no later than 14 calendar days prior to the review. Failure to submit written arguments within this time frame shall be grounds for dismissal of the reconsideration, unless the Division within the 14 calendar day period agrees to a delay for good cause. For purposes of this Rule, "good cause" is an action outside the control of the provider.

(b) The provider shall be entitled to an in-person review meeting unless the provider agrees to a review of documents only or a discussion by telephone.

(c) Following the review, the Division shall, within 30 calendar days or such additional time thereafter as specified in writing during the 30 day period, render a decision in writing and send it by certified mail to the provider or his representative.
