

10A NCAC 26C .0203 ADVICE OF RESEARCH COMMITTEE

The chief executive officer of the institution or area program before approving or rejecting a research project shall seek the advice of a research committee. The Committee may recommend acceptance, acceptance with revision, or rejection. The recommendation shall carefully weigh the expected gain for future mental health clients against the possible risk for persons involved in the study.

*History Note: Authority G.S. 143B-147;
 Eff. February 1, 1976;
 Pursuant to G.S. 150B-21.3A, rule is necessary without substantive public interest Eff. May 1,
 2018.*
