

10A NCAC 27G .6402 STAFF

- (a) Personal assistance shall be provided under the direction of a supervisor who is a qualified professional.
- (b) When a specific client's disability is different than that for which the supervisor is trained, the personal assistance employee shall have access to consultation from a qualified professional who is trained in a discipline related to the client's needs.
- (c) Individuals who are employed to provide personal assistance shall have:
 - (1) at least a high-school diploma or its equivalent; and
 - (2) training regarding the needs of the specific client for whom assistance will be provided.
- (d) Individuals employed to provide personal assistance shall be specifically informed in each personal assistance arrangement regarding safety precautions and 24-hour emergency procedures.
