Housing Review. When personal assistance for a client includes providing service in the client's home, one of the purposes of the service is to assess the safety and sanitation of the home with the client. If the safety or sanitation is in question, it shall be brought to the attention of the client and the professional responsible for the treatment/habilitation or case management of the client, so that the situation can be discussed as a part of the regular treatment/habilitation or case management planning process.
