

10A NCAC 28H .0104 FINAL EVALUATION

All applicants being considered for admission after the initial evaluation shall be referred to the professional staff for additional data collecting. This data shall include interviews with the child, the child's parents, teachers, and any other persons having significant knowledge of the child. Considering this data, the admissions committee shall make a final evaluation of the application. Accepted applications shall be processed. If the child is not accepted for admission, the parents and referring agency shall be notified.
