

10A NCAC 43G .0109 CHILDREN'S DEVELOPMENTAL SERVICES AGENCIES

The Children's Developmental Services Agencies within the Early Intervention Branch shall manage the Early Intervention Program at the local level. Each Children's Developmental Services Agency shall serve children birth to three years of age who have been referred by parents, community agencies, physicians, or other interested parties for early intervention services. The Children's Developmental Services Agency shall determine the child's eligibility for the Early Intervention Program.
