

**10A NCAC 43H .0103 TESTING**

- (a) Testing services are made available to individuals requesting these services, especially those in the childbearing age groups. The division shall provide, without cost, testing and counseling services in conjunction with the local health departments. Voluntary testing shall not be done without adequate counseling and educational services.
- (b) Testing shall be encouraged by the sickle cell syndrome program on a voluntary individual basis.
