

10A NCAC 71A .0902 CARETAKER INTERFERENCE: PETITION TO COURT

In preparation for petitioning the court for an order enjoining a caretaker from interfering with the provision of protective services, the worker shall document:

- (1) the date, time and circumstances under which the disabled adult's consent for services was given; and
- (2) the attempts which were made to obtain the caretaker's consent including:
 - (a) the circumstances under which the caretaker's consent was requested; and
 - (b) the information provided to the caretaker before asking for the caretaker's consent.

History Note: Authority G.S. 143B-153;
Eff. November 1, 1983;
Pursuant to G.S. 150B-21.3A, rule is necessary without substantive public interest Eff. May 20, 2017.
