

10A NCAC 97C .0206 BUDGET

- (a) Each agency shall submit a financial plan for carrying out the One-Year Work Program.
- (b) When the One-Year Work Program encompasses two or more projects, the budget shall be subdivided to show the planned cost of each project and the composite budget.
- (c) The cost principles in Section .0600 in this Subchapter will govern those items of cost requiring prior approval.
