

11 NCAC 08 .1303 INACTIVE LICENSE

A person holding an inactive license is not subject to this Section. In order to change a license from inactive status to active status, the licensee must complete the same number of continuing education credit hours that would have been required for an active license during the period of inactive status but not more than the hours required in G.S. 143-151.55.

*History Note: Authority G.S. 143-151.49; 143-151.55;
 Eff. August 1, 1998;
 Amended Eff. January 1, 2011;
 Pursuant to G.S. 150B-21.3A, rule is necessary without substantive public interest Eff. January 9,
 2018.*
