

**11 NCAC 12 .1507 ATTACHMENT FORM OR FORMAT**

- (a) As used in this Rule, "attachment form or format" means a form, document, or communication of any kind used by a payor to request additional information, other than that contained on the standard claim form, from a health care provider in connection with processing a claim for payment.
- (b) Payors shall not require the submission of information already contained in the standard claim form.
