

15A NCAC 07J .1106 PERMIT CONDITIONS

Each general permit shall have a set of general and specific conditions. Additionally, the Division of Coastal Management may add conditions to each instrument of authorization if necessary to protect the public interest. The Division of Coastal Management may, on a case-by-case basis, override the general permit and require an individual application and review if this individual review is deemed to be in the public interest. Provisions for individual review by State agencies of requests for general permit authorization may be made for each category if this review is deemed necessary to protect coastal resources or other aspects of public interest.
