 - (b) The activity or use will threaten the health, safety, and welfare of persons using the Reserve;

- (5) The written authorization may contain conditions consistent with protection and use of the Reserve for the purposes for which it is operated.
- (6) The authorized user shall not transfer or assign authorization, or grant any part of an authorized use, to any person not indicated on the written authorization request.
- (7) If a request is denied, the applicant shall be informed in writing, with the reason(s) for the denial.
- (8) Participants engaged in activities authorized under this Rule shall also be subject to the rules of this Subchapter.
- (9) A written authorization only authorizes uses or activities that conform to the terms contained in the authorization or in applicable federal, state, and local rules and laws. Violation of the terms and conditions of a written authorization, including engaging in any activities or uses not expressly authorized, shall result in revocation of the authorization by the Division of Coastal Management. Violations shall be subject to any other civil penalties prescribed by law. Violations may also be subject to criminal penalties.
