(a) Local boards of education may enter into contracts with public or private entities or individuals to provide a program of driver education for students.

Local boards of education shall establish the process for soliciting proposals, the number of proposals required, and the time and place for receiving and opening proposals. In addition, local boards of education shall determine whether bid bonds or performance bonds shall be required. Decisions to award contracts shall be based on quality, safety, costs and such other reasonable factors as local boards of education may establish.

(d) All contracts shall specifically require the contractor to adhere to the requirements of these Rules, 16 NCAC 6E .0301 - .0303. In addition, all contracts shall prescribe:

- (1) the term of the contract, which may not exceed one year;
- (2) the procedure for renewal of the term of the contract, if any, except that a contract may not be renewed for more than two successive one-year terms;
- (3) the grounds for termination of the contract, including automatic termination in the event of revocation of the license required by G.S. 20-325;
- (4) whether school facilities or vehicles are to be leased or used by the contractor and, if so, the terms and conditions or the lease;
- (5) whether the contractor will provide transportation home for students;
