

18 NCAC 07C .0210 FINDING OF FALSE OR MISLEADING ADVERTISING

A commission applicant against whom a charge or finding has been made that as a notary public, the notary knowingly used false or misleading advertising that represents that the notary has powers, duties, rights, or privileges not conveyed by law, shall include with the application:

- (1) the name of the court or governmental agency, board, or commission in which the charge or finding is made;
- (2) a copy of the charge or finding;
- (3) the date of the charge or finding, if not included in the copy provided pursuant to Item (2) of this Rule;
- (4) a description of the circumstances surrounding the charge or finding; and
- (5) any additional information that the applicant wishes the Department to consider.

*History Note: Authority G.S. 10B-4;
Eff. March 1, 2025.*
