

18 NCAC 07H .0402 MODIFIED IMAGE OF PRINCIPAL

A notary public shall not perform a remote electronic notarization if, in the judgment of the notary, the live on-screen image of the remotely located principal:

- (1) appears to be:
 - (a) altered;
 - (b) unnatural; or
 - (c) simulated; or
- (2) does not accurately reflect a real-time two-way communication between the notary and the principal.
