

**18 NCAC 07J .0205 NOTICE TO NOTARIES OF PLANNED SERVICE OUTAGES**

- (a) A technology provider shall provide at least five calendar days' notice to its subscribers and electronic notaries public that its systems will be unavailable due to planned maintenance.
- (b) The notice required under Paragraph (a) of this Rule shall include:
- (1) the date that the service will begin to be unavailable; and
  - (2) the approximate amount of time during which the service is expected to be unavailable.
