

24 NCAC 01D .0402 FAIR OPPORTUNITY TO PARTICIPATE

The agency, recognizing that the need for assistance to home buyers (as contemplated by the act) is very great and further recognizing that the agency funds available to meet that need are small in comparison to that need, will use its best efforts to spread its available funds throughout the state in an equitable manner designed to insure that all areas of the state have a fair opportunity to participate in the program.
