

02 NCAC 09K .0108 INCORRECT TESTS

- (a) If the Commissioner determines that tests of milk or cream have been made erroneously by a tester, he shall notify in writing the manager of the plant from which the samples were collected that the test results are in error and inform the manager of the correct test results.
- (b) A manager of a plant shall cause payments to be made to all producers on the basis of the corrected test.
