

**02 NCAC 48A .1205 FEES**

Schedule of fees for nursery inspection or registration based on acres of salable nursery stock are as follows:

- |     |                                |         |
|-----|--------------------------------|---------|
| (1) | Certified:                     |         |
|     | First acre or fraction thereof | \$10.00 |
|     | Each additional acre           | 2.00    |
| (2) | Registered                     | 6.00    |
| (3) | Institutional                  | None    |

A certificate shall not be granted until all fees owed are paid. A charge not to exceed the original inspection fee may be made for each additional inspection necessary to certify all or part of a nursery when such nursery has been found uncertifiable because of plant pest.
