

04 NCAC 24A .0107 DIGITAL SIGNATURES

A digital signature provided by an employing unit or claimant shall authenticate a written electronic communication sent to DES with the same force and effect as that of a manual signature by the person or individual using it. The digital signature shall have the following characteristics:

- (1) unique to the person or individual using it;
- (2) ability to be independently verified;
- (3) under the sole control of the person or individual using it; and
- (4) infeasible to change the data in the communication without invalidating the digital signature.
