

**10A NCAC 13G .0507 TRAINING ON CARDIO-PULMONARY RESUSCITATION**

Each family care home shall have at least one staff person on the premises at all times who has completed within the last 24 months a course on cardio-pulmonary resuscitation and choking management, including the Heimlich maneuver, provided by the American Heart Association, American Red Cross, National Safety Council, American Safety and Health Institute and Medic First Aid, or by a trainer with documented certification as a trainer on these procedures from one of these organizations. If the only staff person on site has been deemed physically incapable of performing these procedures by a licensed physician, that person is exempt from the training.
