

**10A NCAC 15 .1508 CERTIFICATION OF COMPLIANCE WITH APPLICABLE REQUIREMENTS**

(a) Each shipper who prepares packages of waste for shipment to a disposal facility located in North Carolina shall certify that:

- (1) the packages and contained waste comply with all disposal site restrictions and acceptance criteria and with all applicable state and federal laws and regulations including, but not limited to, those governing manifests, labeling, radiation and contamination levels and package design and performance; and
- (2) the prior notification required by Rule .1509 of this Section will be made for each shipment of waste.

(b) Each shipper who transports packages of waste, using shipper-controlled drivers or vehicles, to a disposal facility located in North Carolina shall certify that such transportation, transport vehicles, placarding, and driver training will comply with all applicable disposal facility license conditions and acceptance criteria, and state and federal laws and regulations.

(c) The certification requirements specified in this Rule shall be in written form and shall accompany each separate shipment of waste shipped to the North Carolina disposal facility.

(d) The disposal facility operator shall provide to the agency for each shipment of accepted waste at the North Carolina disposal facility a copy of the written certification that accompanied each shipment of waste.
