

10A NCAC 15 .1514 SITE ACCESS LICENSE RENEWAL

- (a) An application for renewal of a site access license shall be filed in accordance with Rule .1504 of this Section.
- (b) When a site access licensee has filed an application in proper form for renewal not less than 30 days prior to expiration of his existing license, the existing site access license shall not expire until the agency has taken final action on the application.
- (c) When a site access licensee files an application for renewal less than 30 days prior to expiration of his existing site access license, the licensee shall not have access to a disposal facility located in North Carolina after the expiration date until the agency has issued final approval of the application.
- (d) As a precondition for renewal of a site access license, the applicant shall satisfy the provisions of Rule .1512 of this Section.
