

10A NCAC 26E .0122 EXTENSION OF REGISTRATION PENDING FINAL ORDER

In the event that an applicant for registration (who is operating under a registration previously granted and not revoked or suspended) has applied for registration at least 45 days before the date on which the existing registration is due to expire and the director has issued no order on the application on the date on which the existing registration is due to expire, the existing registration of the applicant shall automatically be extended and continue in effect until the date on which the director so issues his order. The director may extend any other existing registration under the circumstances contemplated in this Rule even though the registrant failed to apply for registration at least 45 days before expiration of the existing registration, with or without request by the registrant, if the director finds that such extension is not inconsistent with the public health and safety.
