

10A NCAC 41B .0302 LIMITATION OF PERMIT

(a) Permits shall be limited in scope to the methods or instruments for performing chemical analyses in which the individual applying for a permit has demonstrated competence. This limitation shall be upon the basis of the methods or instruments that received primary emphasis in the particular course of instruction attended by the applicant in the event that successful completion of the course is offered as proof of ability to perform chemical analyses. Initial and renewal permits shall state the date upon which they are to become effective and the date upon which they are to expire. The expiration date shall be no more than 24 months after the effective date.

(b) Permits granted under this Section, initial and renewals, shall be valid only during the period the permittee is employed by a law enforcement agency, the Forensic Tests for Alcohol Branch or a member of its instructional staff, or by some other federal, state, county or municipal agency with the responsibility of administering chemical analyses to drivers charged with implied consent offenses.
