

**10A NCAC 41B .0313 BREATH-TESTING INSTRUMENTS: REPORTING OF SEQUENTIAL TESTS**

The Department approves breath-testing instruments listed on the National Highway Traffic Safety Administration, Conforming Products List of Evidential Breath Measurement Devices. Instruments are approved on the basis of results of evaluations by the Forensic Tests for Alcohol Branch. Evaluations are not limited in scope and may include any factors deemed appropriate to ensure the accuracy, reliability, stability, cost, and ease of operation and durability of the instrument being evaluated.
