

10A NCAC 43A .0106 SUBCONTRACTING

- (a) Local providers may subcontract specific services funded through the statewide family planning program upon review and approval by the branch. Such agreements shall clearly describe the required services, the respective responsibilities of the parties, and specific time and cost factors.
- (b) Agreements shall be reviewed annually by the branch in conjunction with the application renewal process.
- (c) All subcontracting arrangements shall be in accordance with 10 NCAC 1K .0600, which is adopted by reference in accordance with G.S.150B-14(c).
