

10A NCAC 43A .0402 LOCAL FAMILY PLANNING QUALITY ASSURANCE PROGRAMS

(a) Local providers shall establish a quality assurance program.

(b) A quality assurance program ensures the following:

- (1) planning, organization, and service delivery in conformance with all regulatory and other generally accepted principles of quality health care;
- (2) periodic review of health services; and
- (3) ongoing efforts to upgrade quality of services.

History Note: Authority 130A-124;
Eff. December 1, 1980.
