

11 NCAC 08 .1321 ELECTIVE COURSE SUBJECT MATTER

(a) Elective courses shall directly contribute to accomplishment of the primary purpose of mandatory continuing education, which is to help assure that licensees possess the knowledge, skills, and competence necessary to function in the home inspection profession in a manner that protects and serves the public interest. The knowledge or skills taught in an elective course shall enable licensees to better serve their clients and the subject matter shall be directly related to the home inspection profession. Examples of acceptable subject matter include rules adopted by the Board, including the Standards of Practice and Code of Ethics for home inspectors, which are found in 11 NCAC 08 .1100; G.S. 143, Article 9F; construction techniques; construction materials; residential environmental issues; residential mechanical systems and components; residential structural systems and components; and business administration or management.

(b) If there are unique North Carolina laws, rules, or customary practices that are relevant to a topic being addressed in an elective course, and if the course is to be conducted in North Carolina or primarily for the benefit of North Carolina licensees, then the course shall accurately and completely address such North Carolina laws, rules, or practices.
