

11 NCAC 23A .0402 SUBMISSION OF EARNINGS STATEMENT REQUIRED

(a) Within 30 days of a request by the employee or the Commission, the employer shall submit a verified statement of the specific days worked and the earnings of the employee during the 52-week period immediately preceding the injury to the Commission and the employee's attorney of record or the employee, if not represented.

(b) In all cases involving a fractional part of a week, the average weekly wage shall be computed based upon the applicable fractional portion of the week worked.
