

12 NCAC 09G .0404 PILOT COURSE PRESENTATION/PARTICIPATION

(a) The Education and Training Committee shall recommend to the Commission the most efficient and effective delivery system and developer of course curricula for the implementation of newly developed training courses based upon the size of the target population, the nature and complexity of the training problem, and the availability of resources. Designation of the developer of course curricula by the Commission shall be deemed as approval of the developer to conduct pilot courses.

(b) Individuals who successfully complete a pilot course offering shall not be required by other rules of this Subchapter to complete additional training for that specific certification program. Such pilot training courses shall be recognized for purposes of certification or recertification.
