

13 NCAC 15 .0410 DAILY INSPECTION AND TEST

An amusement device shall be inspected and tested each day when it is intended to be used. The inspection and test shall be made by a person experienced and instructed in the proper assembly and operation of the device and shall be performed before the device is put into normal operation. The inspection and test shall include the operation of control devices, speed-limiting devices, brakes and other equipment provided for safety. A record of each inspection and test shall be made at once upon completion of the test on a form provided by the Director and shall be kept with the device and available to the Director for at least the previous 12 months.
