(r) An armed security guard is required to qualify annually both for day and night firing with his or her duty handgun, shotgun, and rifle, if applicable. If the security guard fails to qualify on any course of fire, the security guard shall not carry the firearm until such time as he or she meets the qualification requirements. Upon failure to qualify, the firearm instructor shall notify the security guard that he or she is no longer authorized to carry the firearm and the firearm instructor shall notify the employer and the Private Protective Services Board staff on the next business day.

(s) A firearm training certificate of an armed security guard remains valid even if the guard leaves the employment of one company for the employment of another. The range qualifications shall remain valid if the guard will be carrying a firearm of the same make, model, and caliber and no additional firearms training shall be required.
