

15A NCAC 13B .0510 CLOSURE CONDITIONS

- (a) When the disposal site has been closed in accordance with Rule .0505 of this Subchapter, the operator shall:
- (1) Notify the Division in writing in order that a site inspection may be made by the Division to determine compliance with closure procedures; and
 - (2) Provide test holes, as specified by the Division, to determine compliance for final cover.
- (b) An inspection shall be made by a representative of the Division and a written statement will be supplied to the operator concerning the closure of the site.
- (c) When a solid waste disposal site has been closed in accordance with the requirements of the Division, future necessary maintenance and water quality monitoring shall be the responsibility of the owner and the operator and shall be specified in the closure letter.
- (d) When a solid waste disposal site has been closed in accordance with the requirements of the Division, the permit is terminated. Any future disposal at the site shall require a new permit.
