

**15A NCAC 18A .3502 PRIMITIVE EXPERIENCE BASE CAMP PERMIT APPROVAL OF PLANS**

Plans, drawn to scale, and specifications for primitive experience camps or facilities in existing primitive camps shall include a topographic map of the base camp, buildings, water supply system, waste water disposal system and other appurtenances necessary to maintain base camp operation and compliance with the rules of this Section. Plans shall also include those sites used on a recurring (at least once each season) basis that are not part of the established base camp but are under the control of the ownership of the camp. Plans and specifications shall be submitted to the health department of the county in which the site is located. Plans, drawn to scale, and specifications shall also be submitted to the local health department for any additions or renovations to existing buildings or any new buildings or facilities in primitive experience camps. The local health department shall require a topographic map upon determination that the proposed changes will impact camp sanitation or drinking water supplies. Construction shall not be started until the plans and specifications have been approved by the local health department.
