18 NCAC 07J .0114 WHEN PROVIDER MAY USE INFORMATION

Facilitating a notarial transaction and mitigating fraud are the only reasons that a technology provider or its supporting vendor may use, disclose, or permit disclosure of information that has not been anonymized and that is specific to:

(1) the contents of a notarial transaction;
(2) a transaction participant;
(3) credentials of a notarial transaction participant; or
(4) a notarial transaction record or electronic record.

History Note: *Authority G.S. 10B-4; 10B-106; 10B-125(b); 10B-126; 10B-134.15; 10B-134.17; 10B-134.19; 10B-134.21; 10B-134.23;*
