18 NCAC 07J .0207 NOTICE TO NOTARIES OF BREAK IN SERVICE

A technology provider subject to Rule .0114 of this Subchapter shall notify notaries public using its authorized services within three days of the occurrence of a break in service and include:

(1) the reason for the break in service;
(2) whether the break in service is for a specific time period or is permanent;
(3) whether the notaries:
    (a) can continue using the provider's authorized services:
        (i) with limits and what the limits are; or
        (ii) without limits; or
    (b) cannot continue to use the provider's authorized services and, where the provider is a depository or custodian:
        (i) will have 60 days to transfer any records maintained by the provider to a custodian; and
        (ii) that the notaries may continue to access the records maintained by the provider until they are transferred; and
(4) any actions the provider requires the notaries to take.
