18 NCAC 07J .0405 NOTARY SERVICES IN OTHER JURISDICTIONS

A technology provider applicant's application shall provide the following information for each state, federally recognized tribe, or nation in which it has offered the same or similar services within the previous 10 years:

(1) the types of service provided;

(2) the month and year in which the technology provider received its most recent license or approval or a statement that a license or approval is not required;

(3) the expiration date of the most recent required license, approval, or equivalent, if any;

(4) whether any application for a required license, approval, or equivalent has been denied;

(5) whether the applicant has discontinued a service and if applicable:

  (a) an explanation of the discontinuance of the service; and

  (b) the month and year in which the applicant discontinued services; and

(6) for any open, pending, or active governmental or authorizing entity's investigations in relation to the applicant's provision of services in another jurisdiction and of which the applicant is aware at the time of application:

  (a) the name of the governmental or authorizing entity; and

  (b) a brief description of what the applicant believes is being investigated.
