18 NCAC 07J .1023 ENTRY IN DEPARTMENT'S DATABASE BY TRANSFEROR

Upon validation pursuant to Rule .1012 of this Section, a transferor shall update the Department's database with the following information:

(1) the session identifier;
(2) the four-digit identifying number assigned to the technology provider making the entry into the Department's database;
(3) the four-digit identifying number assigned to the transferor;
(4) for the transferee:
    (a) the four-digit identifying number assigned to the transferee; or
    (b) the custodial notary public's commission number, if applicable; and
(5) the date and time of the transfer.
