18 NCAC 07J .1411 PLATFORM ACCOUNT CREATION FOR TRADITIONAL NOTARY

A platform provider shall create an account for a traditional notary public only after it:

(1) confirms the notary's identity by using approved credential analysis and identity proofing solutions;

(2) receives the notary's commission certificate from the notary;

(3) uses the Department's online database of notaries to verify:

(a) whether the notary is in active status as a notary;

(b) the expiration date of the notary's commission certificate; and

(c) the county of the commissioning of the notary; and

(4) documents the notary's designated custodian, if the notary will use the platform's electronic journal.
